DISCLOSURE UNDER 37 CFR § 1.56

This letter is being submitted in accordance with 37 C.F.R. § 1.56, "Duty to disclose information material to patentability."

Applicant had intended to file two prior applications containing material similar to some of the subject matter of the above application. Applicant did not file these two prior applications, due to a discovered prior public use of inventions claimed in those prior application that were more than 1 year before the applications could be filed.

The material of one of these applications pertains to an interactive avatar and is related to the discussion in FIG. 3 in the instant application. The material of the second application "thought navigation" is discussed in FIG. 5. The prior disclosures were made in connection with KurzweilAI.net Web site (www.kurzweilAI.net).

The material discussed in conjunction with FIGS. 4 and 6 is new material, directed to conducting a transaction or event, and which was not on sale or in public use for more than 1 year before the filing date of this application.

It is this material that is the novel subject matter of the claims in the instant application.

Respectfully submitted,

Date: October 28, 2008
